Well done to all the KS2 children involved in the Active Kids Festival, experiencing 6 different sports and participating with enthusiasm and determination.

This week our KS2 children were invited to join the children's University by having a 'Passport to Learning'. Each hour they attend an accredited club or visiting an accredited Learning Destination their passport will be stamped. Once the passport has accumulated the required number of hours, the children are set to attend the official graduation at the University of Essex. A letter has been sent home today, with further details of this amazing opportunity.

On Monday 10th September Our year 6 children visited the Gunpowder Mills as part of their 'A Child's War'. The children dressed the part and were introduced to what it was like to live through WWII, including being an evacuee during an air raid!

This week the Reception children enjoyed their first packed lunch at school.

PAGWPS NEWS

On Friday we held our first Open Air Cinema Event, it was a fantastic night, Thank you to all who attended, you helped raise over £1000!!

Coins For Cash

After the success of last years Cash for Coins campaign PAGWPS are again asking for donations of unused foreign currency and old tender. This will be converted into pounds for the school.

On Wednesday 19th September we went on a hunt through the woods to help Paddington find his lost marmalade. We had to search for clues and solve them. We looked high and low and we found lots of things that Paddington had left behind!
