Grove Wood goes paperless..

Ever mindful of the environment and with school budgets continually being squeezed, Grove Wood will be going 'paperless' as much as possible. Communications will now be sent by email and put on the school website where appropriate. Some letters will still be coming home for now, ie those with permission slips to be returned, however, we do plan to phase these out from September as we move to online permission slips via SCOPAY (the school's internet banking portal).

Please keep us updated with your email addresses to ensure that you receive all communication going forward.

Our website is a good way to keep updated with all news, letters and events —
