Goodbye... We say a fond farewell to Mrs Tompkinson who leaves us after 24 years of dedicated service. We wish her well in all her future endeavours.

We also say goodbye to Miss Kaye who has been with us for 6 years, Mr Figg and Miss Cadman.

District Sports Tuesday 11th July saw the yearly District Sports event. Although the weather was not quite what we are used to, the competitors shone as they participated in sprints, long distance races, relays and field events. After narrowly losing out last year, we have been pushing hard in daily training sessions to get the Districts shield back! After a successful afternoon, packed with achievements and positivity, Grove Wood were eventually crowned District sports champions 2017! Congratulations to all involved and a huge thank you to the staff for supporting in the lead up to this event. Without such dedication from staff and commitment from our wonderful pupils we would have not achieved such success!

Green Goblins.... The Green Power Teams had a very successful race day at Dunton recently coming away with 6 trophies, including 2nd and 3rd overall. Following this success, the teams headed to Goodwood Race track and had a fantastic day competing in Drag, Slalom and Sprint races as well as the pit stop challenge. The day finished with the 81 competing kart completing a whole lap of the circuit.

Collecting CU Learning Credits

Before a CU Learning Credit can be collected, CU Learners will need to show some evidence (to their school/teacher or to me at Southend CU) that the activity has been completed. You can either post or email the evidence to carolparker@southend.gov.uk

The evidence could be a photograph, a diary/poster, a recording or some writing about when and how they completed the activity.

CU Learners are encouraged to record their thoughts and ideas, thinking about how they completed the activity and what they liked about it.

We would like to say a great big thank you to CU Scotland and Kent CU for some of their inspirational ideas....we hope you enjoy completing these challenges.
