Greenpower News.....On Saturday 30th June the Greenpower Team from year 6 raced the three cars that they had designed and built at Ford's Dunton.
The Team worked hard together and supported all the Grove Wood cars no matter which car they had worked on.
At the end of the day Team Grove Wood came away with 6 trophies. They came 3rd in the Slalom, 2nd in the Drag and 1st in the Sprint. They were also awarded the Ford Dunton overall winners' trophy and the Greenpower overall winners' trophy. The trophy we are most proud of, however, is the Best Presented Team trophy which is given to the team showing the best attitude and sportsmanship, not just within their own team, but towards the other competitors as well.

We would like to dedicate this win to Adam Brigden who helped us to get the funding to start the team. On Sunday we go to the Top Gear track (Dunsfold Park) where we race against around 90 other teams.
Good luck Grove Wood!

Sports Day

Monday 25th June brought sun and sports day to Grove Wood Primary.

The event was enhanced by the wonderful weather, where the

children displayed their values and sporting skills across a range of activities. A huge well done to all the children involved, especially those at both ends of the school: well

done to our reception children for taking part in your first sports day and a sporting salute to our year 6's for taking part in their final sports day event.

Thank you to the huge parent support at the morning and afternoon events and congratulations to Topaz house for another KS2 success and to Emerald house in KS1 for their winning effort!

Mr Seaman.

Warm weather....

with more warmer weather on the way may we remind you, that all children should apply a high protection factor **sun cream** before school in the mornings, and wear a **sun hat** (available to purchase from the office) in a bid to limit the damaging effects of the sun on the children.

As always a filled water bottle should be brought into school every day.

Request....we are always in need of good quality books up to the age of 11/12 and would welcome any donations.

Late Items... the amount of items being dropped off late by parents is increasing. This impacts the main office and interrupts teaching. Please ensure that your child is fully prepared for the school day. If items must be dropped off late, please encourage your child to check with the office at break time to avoid class disruption.
