On Tuesday 23rd April the Year 6 mixed netball team went to Basildon Sporting Village to play in a tournament. There were 18 schools taking part. The first match we played was against Robert Drake and we won 3-1. In the second Match we played against Great Wakering and we won 5-1 with some outstanding shots. Then we played Hockley B for our third match, we scored 5-1 with some extremely good defending. In our 4th match we played Wyburns and luckily we won. Another successful match with the score as 6-1. After all our matches we played a very tough game against South Benfleet and unfortunately we lost 2-1. But luckily the top three schools from each pool progressed in the tournament so we got into the quarter finals and we played against Thundersley and we won 4-2, meaning we were heading for the semi finals. In the semi finals we played against Great Wakering again. We were fighting for third place, but sadly we lost 3-0, meaning we came 4th. We are so pleased with 4th place and all had an amazing day.

Libby and Abbey (Year 6)

Reminder—If your child attends Bike Club please could they be reminded to bring a pair of gloves in.

Please be reminded that Breakfast club and After school Club need to be booked via Scopay in advance. Breakfast club is very busy on some days and we are not always able to accommodate children who arrive without booking a slot. Thanks

Girls Essex Cup- Semi-final - Football 1st May 2019

On the 1st of May our Year 5/6 Girls football team took part in the Essex Cup competition semi - final at Goals in Dagenham. All the girls have played brilliantly as a team throughout the whole tournament. They have battled through 3 rounds and a quarter final to get where they are. The semi-final was close but they managed the win 3-1 with some superb goals. This now means our girls are through to the final of the competition, which is going to be hosted at Aveley FC. Well done to all the girls involved for reaching the final.

This week some parents have been prosecuted due to video clips being captured of illegal parking on the yellow zig zag lines and those of the pedestrian crossing.

This is not acceptable and the Police have assured us that any contravention of the regulations will be dealt with robustly by the Police. Parents/residents are able to submit video evidence of any vehicles illegally parked to the Police. The Essex Police website has a 'Do it on Line' page where you can access 'Driving Complaints'

<https://www.essex.police.uk/do-it-online/>

Complaints, video clips etc can be made directly to the Police using this site. Please be advised that the Police are actively processing offences.
