Dates for the Diary

3rd June—Back to School

4th June—Year 2 Chef Day

4th June—Year 1 Dress as an Athlete Day

6th June—Forest School 2EL

6th June—Rock Band Day

6th June—EYFS—New Parents Meeting in KS1

7th June—Outdoor Education Day

7th June—Year 3 & 4 Swimming Trials

If you were able to attend one of the two enterprise fairs which have been held over the past two days we would love to receive your feedback. The aim of the week is to encourage children to develop their understanding of money, learn about marketing, buying and selling and coming up with a product or service which they were excited to promote.

Over the week we have had visitors into school to share their experiences and the culmination, and the highlight, is the opportunity to share it with friends and family.

The money raised will be shared in three ways. A percentage will go back to the classes to buy games and activities for wet break times and lunchtimes, some will go towards the purchase of outdoor table tennis tables for the playgrounds and the remainder will go towards a wonderful local charity called 'Packed with Smiles' which aims to provide uniform and shoes to underprivileged local children in the Southend area who could otherwise not afford to buy it. The founder of this charity, Anna Baker, came into school on Thursday and spoke to the children about her business and this charity which she and her husband established two years ago.

If you are able to offer any feedback, we would be extremely grateful.

IS YOUR CHILD SUFFERING FROM ANXIETY?

If so, the 'WorriNot' app may be just what you need!

Children's mental health issues are on the rise. WorriNot is an app that has been developed by child psychologists, counsellors and teachers. It enables children to voice their fears, worries and anxieties through characters that speak for them. The text or voice message is then sent to the parent who can then respond to their worry. Children will often open up more if they do not have to have a face to face conversation with an adult. The worriNot then "Make the fear disappear."

There are also lots of age appropriate self-help tips and advice that children can access on various topics. The tips help children to develop their own coping mechanisms

The app is available on kindle, app store and playstore.

PAGWPS NEWS

Last week many of you joined us for our inflatables day. It was a huge success raising over £2000! Thank you to everyone who volunteered to help we could not have done it without your support.

This week we have seen all of the classes raise to the challenge of 'Chuck your Change'. Our overall winning class was 2CA, who were first to fill their jar. Second place was awarded to 4DS who have also managed to fill their jar. Both classes enjoyed their treat of ice cream and lollies today. Its not to late for your child's class to win one of the remaining prizes. We have enough ice creams for two more classes, so keep filling those jars!!!!

Fathers Day

Our Fathers Day gift shop is being held on Thursday 13th June this year. Gifts are £2.50 each. Forms have been sent home with your children and spares can be found in the office. This is always a firm favourite with the children, forms need to be back in by Friday 7th June.

Camping

Letters have been sent out for our camping event, pitches are selling quickly so please return your forms as quickly as possible so you do not miss out. We have a number of bands playing. Spare camping letters can be found in the office.
