- ★ 6DP— Jack Gregory
- ★ 6MB— Cooper Cain
- ★ 6HR— Riley O'Carroll

- ★ Rainbow Class— Lilly Lanning
- ★ Play Buddy— Wren North

## Dates for the diary this week:

9th March—Sport Relief week

16th March—Entire School Art Day

On the 2nd March Freddie, Reilly, Morrie, Emma, Holly, Tiyanini and Jessica played a netball match against Lincewood Primary School. The team played really well and came out winning 12-1. Each team member scored at least one goal. We huffed and puffed but that didn't stop us from bringing a win back home. Overall it was an amazing match and both teams played fantastically. Thank you Lincewood for letting us playing at your school. We played really well as a team and can't wait for more Grove Wood Mixed Netball Team matches. Congratulations everybody.

Match Report written by the Mixed Netball Team

## Attendance Stars for this week are:

1JM & 2EL with a fantastic 99.3%

And

4JT with 99.3%

This February the Wyatt family attended RHS Garden Hyde hall. Where they took part in the annual scarecrow making activity. As you can see this year their based there scarecrow on our favourite lolly pop man Ron. What a fantastic effort, well done.

### Packed lunches

We have noticed that some children are not bringing a drink with their packed lunch. Of course we always have water available in school but the paper cups are expensive. If you send a packed lunch, and are not sending a separate drink, we ask that children bring their water bottles to the dinner hall so that these can be filled instead of disposable cups.

A big thank you to Moma Porridge who donated 1500 servings of porridge for breakfast and after school club.

In a bid to be more eco friendly Grove Wood have stopped using single use plastic cups at lunch, these have been replaced with recyclable paper cups.

Last week our Rock band spent the day entertaining their parents children and staff. Former students Michael and Gabrielle from Year 7 joined us who were released by their secondary schools (Fitz and Eastwood) so that they could play with the Rock Band that they were part of last year. The children played a variety of songs, including 3 little birds, 7 nation army and Dance Monkey. To accompany our past and present students lead vocalist Darren Jones from the band The Long Run and Steve Cooper a former school governor, who has been assisting the rock band drummers also came to help the band rehearse and perform. The audience were also treated to solo performances by both Steve and Darren.

## PAGWPS

### Marvellous Mothers Day

**19 & 20th March**

We are holding our annual mothers day sale, your child is welcome to purchase a gift for that special someone. Gifts are priced £2 each, letters have been sent home and copies are in the office. For those children on school trips on Friday 20th, we will be holding a special sale on Thursday 19th March so no child misses out.
